Turn-It-In Upgrade to Feedback Studio

Please review the following screenshots for a tutorial on the new format for Turn-It-In. All features are the same---just moved around to be more user friendly!

Adding and submitting assignments DOES NOT change 😊

Assessing and providing feedback DOES change! Here is the opening screen in the new Feedback Studio. Note the tools have moved from the bottom of the page to the right hand side.

For further information please see screenshots and links below:

Feedback Studio Toolbar:

- Quickmark comments
- Voice and Text
- Rubric—determine scores
- Similarity/Plagiarism report and options
- Easy grader—checks grammar, mechanics, and usage
- Download paper with comments
Quickmarks: Create, edit, and use common comments for student feedback.

Click on “commonly used” to access the setting to edit and create personal comment lists.

Feedback summary: Leave voice or text comments regarding assignment.
Rubric:
When you attach a rubric to an assignment you can score directly within turn-it-in.

Use sliding scale to award points. View descriptors at bottom of the page.

Click “apply to grade” and it will convert the rubric points to the total grade points.

Current d88 rubrics will still be available 😊
