1. If you must pay money to get money, it might be a scam.
2. If it sounds too good to be true, it probably is.
3. Spend the time, not the money.
4. Never invest more than a postage stamp to get information about scholarships.
5. Legitimate scholarship foundations do not charge application fees.
6. If you’re suspicious of an offer, it’s usually with good reason. Don’t be fooled by an official sounding name. Words like “National,” “Foundations,” or “Administration” in the title doesn’t mean it is a legitimate operation.
