Willowbrook High School’s S. O. A. R.

S. O. A. R.
increase success, organization, academic skills, and remediation

The S. O. A. R. tutoring program offers academic assistance in core academic areas and support for freshmen during their transition to high school.

What does the program consist of?
- A certified teacher in English, Social Studies, Science, and Math
- A learning specialist in executive functioning
- Weekly progress monitoring and bi-weekly student conferences to keep students on track
- Parental support and bi-weekly check ins to problem solve and collaborate over student learning needs
- Program begins on October 9
