### Illinois State Scholars

The Illinois State Scholar Program recognizes graduating high school seniors who possess superior academic potential. Students are chosen as a scholar based on a combination of their SAT Score and High School record after six semesters of course work. **Students from the class of 2018 were recognized as Illinois State Scholars**

### National Merit Scholarship Recognition

The National Merit Scholarship Program is an academic competition for recognition and scholarships. Students that take the Preliminary SAT (PSAT) in their junior year of high school, are entered in the competition.

### GRADING SYSTEM AND CLASS RANK

A system of weighted grades has been developed to reward students who take more challenging classes. Weighted classes include honors and Advanced Placement courses. All full credit courses are averaged to compute a student’s grade point average (GPA). Weighted GPA’s are included on a student’s transcript and calculated at the end of each semester.

One credit represents the study of a subject five times per week for one semester (18 weeks). Our classes meet 45 minutes per period, eight periods per day.

Class rank is determined by multiplying a student’s grade point average by the total number of honor points a student has earned. This rank credit score will be the schools basis for ranking students by class from highest class rank score to the lowest. Class rank is calculated at the end of each semester based on a current grade level.

#### Honor Roll

- Distinction Honor Roll: GPA 3.5 or higher & grades A, B, or C only
- Merit Honor Roll: GPA 3.0-3.49 with grades A, B, C, or D only
