Summer STEM Camp

Taking students to the future of science

- ROBOTICS
- COMPUTER CODING

Are you a student who enjoys Science, Technology, Engineering or Math (STEM)?

We are looking for YOU to join us for the

2019 Summer STEM Camp
Sponsored by District 4, District 45, District 48 and District 88

This camp will enhance your knowledge in both computer coding and robotics! Enjoy developing the skills to design your own apps for Android devices! You will also build your own robot that can perform tasks for you!

THERE IS NO COST TO YOU, BUT SPACE IS LIMITED

Entry forms must be received by the Addison Trail or Willowbrook bookstore by May 3, at 3:00 p.m.

There are limited spaces for the camp, so if you would like to enroll in the 2019 Summer STEM Camp, return this entry form to the Addison Trail or Willowbrook bookstore by 3:00 p.m., on Friday, May 3.
