**Advanced Placement Preparation Summer Program**

*Over the past two years, 88% of students participating in the summer prep program have earned grades of A, B, or C in their AP Social Studies courses!*

- Designed for students interested in taking AP coursework during their high school career.
  - Content focuses on Social Studies, but skills emphasized will prove beneficial for all AP courses.
- Explanation of Advanced Placement Program and the tests that are given every May.
- Students gain an understanding of expectations of AP coursework.
- Students gain an understanding of the pace and the complexity that makes AP classes different.
- Students get feedback on the AP coursework they are producing in the program.
- Homework assignments and practice exam at end of course will help students understand what they will be exposed to on a regular basis.
- Focus on development of skills that have proven critical for AP success, including:
  - Reading skills
  - Writing skills for Social Studies
  - Verbal skills and listening skills
    - Classroom participation stressed
    - Students will work independently and in a group dynamic
  - Time management and stress management
  - Organization and Executive Functioning Skills
  - Studying, test preparation and test taking skills
  - Growth Mindset
